Dear Dr. Reader

It is a pleasure to notify you that the American Osteopathic College of Radiology (AOCR) will inaugurate Michael Keleher, DO, FAOCR, as its 68th President at the Annual Awards Ceremony on May 23, 2018, during the AOCR Annual Convention in Scottsdale.

Dr. Keleher has been very active in the AOCR as a member and officer of the Board of Directors. His very capable leadership has been invaluable and we look forward to the next year under his leadership.

We would like to extend an invitation to a representative of your organization to attend this special occasion. A reception will be held immediately following the Awards Ceremony to honor Dr. Keleher and other award recipients. The AOCR would also like to give your organization the opportunity to join us in honoring Dr. Keleher through a monetary donation to co-sponsor the reception. The awards ceremony will be held on May 23 at 6 pm at the Omni Scottsdale Resort & Spa at Montelucia followed by the reception.

If your organization would like to co-sponsor the reception, please let me know by March 19, so that your support may be acknowledged in the Awards Ceremony program. If a representative will be attending, please also include the name and title of who will be attending so that he/she can be acknowledged at the Awards Ceremony.

Thank you for your consideration.

Sincerely

Carol L. Houston
Executive Director
